

## Home Hardware Building Centre Request for Charitable Donations

At Home Hardware Building Centre, we believe in supporting the community through local organizations. Our focus is on donations that benefit groups in need and those involving children and seniors. We also make substantial contributions on a national level through Home Hardware's official charities: The Sick Kids Foundation, Special Olympics, and Tree Canada.

If your group is a recognized national organization or a licensed local association, please fill out this form and return it to Front Cash **a minimum of 4 weeks prior to your event date**. Your request will be reviewed by the management. You will be contacted if your donation request meets our requirements and budget.
